

Follow the Star

Treasure Hunt

1. Print and cut the Star Clues or make your own.

2. Attach a glow stick to each start clue. [optional]

3. Hide each star clue around the house in relation to each clue. Here are a few ideas for the clues we've provided.

- Place Star #1 on the Christmas Tree
- Place Star #2 near an angel symbol
- Place Star #3 on a door lock or near keys
- Place Star #4 in a laundry basket or room
- Place Star #5 underneath a bed
- Place Star #6 in a cupboard
- Place Star #7 on a window or behind a curtain

This scavenger hunt can be tailored to suit any age. Older kids can figure out the clues on their own, but younger children may need the stars to be placed in more obvious areas. You could also hide lollies along the way to gather even more treasure!

4. Once your child has found all of the stars, shape the attached glow sticks into the star of Bethlehem. While they enjoy their star treats, take this time to talk to them about their journey. Did they give up? What made them keep going? Relate their answer to how Jesus' visitors must have felt as they followed the star of Bethlehem to celebrate the birth of our savior.
