WHO IS JESUS?

Jesus is God right? But then why is he called ‘Son of Man’? Where is Jesus’ story in the Bible? Why do we say Jesus sometimes and God other times? Is there a difference? This term our Canon Nights are looking into “Who is Jesus?”

We also have the 40 Hour Challenge this term and will be spending a Saturday with Church Northwest to plant trees together! Book out June 14 for an epic day raising money for people in Solomon Islands.

A NOTE FROM THE LEADERS

Remember our hang space nights are made for youth to bring something to do or talk about. We loved the variety in term one and look forward to more in term 2. With the weather getting cooler and unfortunately darker earlier we will be inside for most of nights. You can find us on FB and Insta where we post what is happening and share some photos from our time together. See you soon! Briar, Renee, Gareth & Andie.
